WHERE'S  
MASH  
...?!

To everyone who bought this volume...

Thank you very much for purchasing volume 10 of  
Mashle: Magic and Muscles!!

We've already reached ten volumes.  
It's really thanks to all of you.

I'm again reminded that I initially planned for this  
to be a short, punchy story. I even told everyone as  
much. But it's not short at all!!! So now I'm a liar.

## I'M REALLY SORRY!!

Put those rocks down!!

Ouch!! Not the cans!! Now you're throwing orange  
peels at me?! I repent, I swear! Forgive me!!

The world of adults is a world of liars, they say....  
All you kids had better be careful. If you give your  
parents your special New Year's money to hold onto,  
you may never see it again. That's what I mean. So...  
be careful!!!!

P.S. Thank you so much for the fan letters!! I'm  
totally wearing all the socks too!! They fill me with  
encouragement!!!! Woo!!
